## HEAVY DUTY COOLANT THERMO-TECH OAT

Available to purchase from October 2012, Donaldson Thermo-Tech Heavy Duty Coolant will replace our existing range of Coolants and Flush. Thermo-Tech will be available in conventional EG (Ethylene Glycol), long lasting OAT (Organic) and our Hybrid PG (Propylene Glycol) which is fully compatible with other PG aftermarket brands available.

**Thermo-Tech OAT is an organic coolant designed to last up to 4 years, 12,000 hours or 1,000,000 kilometres in heavy duty applications.**

**Thermo-Tech OAT is available in ready to use premix as well as concentrates, see below for ordering details.**
